Question in the plenary what should be done in the future?

Frage ins Plenum, was getan werden soll in Zukunft?

Security noticed what was happening but did not intervene.

Security der Uni hat Ereignisse mitbekommen, aber nicht eingegriffen.

Police did not investigate from the beginning as against a hate-crime. But now the victims are in touch with the Brandenburg police representative for queer people (or something like that).

Security guard / porter - there is a question about their tasks and responsibility => according to Asta there is not the task of protection.

Wachschutz /Pfortner - Frage nach Aufgaben und Zuständigkeit besteht => hat laut Asta nicht die Aufgabe des Schutzes.

There have already been various investigations and hearings.

Es gab schon verschiedene Untersuchungen und Anhörungen.

Pascal: Meeting of the city councilors => position accepted, 2 new positions for social workers in Golm decided.

Versammlung der Stadtverordneten => Stellung angenommen, 2 neue Stelle für Soziale Arbeitende in Golm beschlossen.

There are demands for more security within the VeFa.

Es bestehen Forderungen nach mehr Sicherheit innerhalb der VeFa.

Silent alarms, more security, safe room, in Golm and Griebnitzsee, security from trainstations to campus, bans from entering - security cameras aren't possible because of data privacy protection.

- Always report any problem to the police.
- Formation of communities to connect together to make each other's life in Golm safer.
- The VeFa is proposing to write an open letter to the City Council, to show clearly that there is a wish for more security

5. Break-ins at University of Potsdam

New break-ins in the rooms of the FSRs BCE, European Media Studies, Cultural Studies and Slavic Studies. The door is broken, but no valuables were taken and it looks like the burglars were only after cash.

We would like to ask all FSRs to put their valuables somewhere else for the next time.

In the statement - which the VeFa is writing – this can also be mentioned.

Im gemeinsamen Statement kann auch hierzu Stellung genommen werden.

6. Election: department of the student councils and student representatives
