DE: **Event 11.05.: Spring party**, maximum number of guests are 1000, will be held at the HPI building; live music, bouncing castle, sports, face painting, beer ball, FSR PoWi is co-organising some program points  
 KuM: Do you have advertisement?

DE: Yes, there is a homepage (<https://myhpi.de/de/informationen/spring-party/>). End: 10 pm, but will continue with DJs. We would be very grateful if you could spread news of the event. We can also provide you material. Ticket sale is starting today: 8€

Philo: Are you earning something?

DE: We are Non-Profit. It's not organized by our FSR, but by an association (Förderverein).

Info: Is there a limit of tickets?

DE: 1000. Drinks are included in the ticket! Ticket = Flat. There will be a barbecue (vegan + veggi mostly).

Philo: We want to thank to everyone who helped us to reclaim Golm yesterday!! Many issues are a big topic there! There was a large group that helped to organize the event. We were Gecko, KuM, MathPhy, Psychologie, Soziologie and others. We want to reach out to you and want you to spread the word that we have an active campus where everyone can feel safe and is not excluded. We want to have more events like that but we also want it to be a daily thing. We, as VeFa, could take a statement but we also want to reach out to the university because there is no official statement by the Uni. We can not expect this by the authorities.

If you want to do an other reclaim event, please feel free to connect with the FSR Philo, we had a lecture and the referent would like to do.

Katherina: We will create a pad.

### ANNOUNCEMENTS BY AStA

Zoe (University Politics):

- Semesterticket: there will be more informations soon, there will be an application for the students where you will just have to pay the difference to the 49€. In the moment it is difficult to find a way how to find a solution for special cases like students who leave for abroad studies.
- Situation in Golm: Many people report incidents like harrasement issues. And not just in Golm but at other campuses as well. We try to put joined forces on it. We are setting up a Guideline and we try to get attention. The event yesterday in Golm was great, that's what we need!
- Committee for constitution for student body + finances: this might take a lot of time, the whole semester.
